Other Curricular Areas

Our class topic for this term is Mini-beasts with a focus on Social Studies and Science linked to the Aberdeenshire Frameworks.

During Health and Wellbeing we will be focussing on friendships and in particular the qualities of what makes a good friend.

How you can help at home...

There are lots of fun and simple ways that you can help at home including:

- Sharing a wide range of texts – comics, stories, audio books, newspapers, shop signs and menus. This increases their wider vocabulary and recognition of letters and words.
- Regular revision of phonics sounds and common words.
- Explore numbers around the local environment and practise counting a variety of objects.
- Revise number bonds using Topmarks and Hit the Button websites.

We look forward to working with you. If you have any queries or concerns please do not hesitate to get in touch, we are always happy to help.
