Monday - Chess Club
Tuesday - Play Leaders
Wednesday - Play Leaders
Thursday - Play Leaders
Friday - Choir

Tuck Shop is available on a Monday, Wednesday and Friday

No football on a Wednesday and Friday

Homework

Homework will be sent home on a Monday and is due in on a Friday. Every week a Literacy and Numeracy task will be set and there may be additional homework throughout the year for example preparation for a talk, World War II research or participating in Sumdog Challenges! Please encourage the children to learn their spelling words in a way that suits their individual learning style. For example, writing sentences, spelling aloud, finding their words in context, playing hangman.

In term 1, reading will also be sent home twice a week. Can the children also bring a book/magazine (of their choice) to read for enjoyment in class.

Please sign homework diaries and homework jotters to indicate that you have seen/heard the homework.

I'm sure the children will have told you that presentation is extremely important to me. A sharp pencil, rubber and ruler make a huge difference when it comes to presentation. Please reinforce this message at home. All homework should be completed in pencil not pen.

Our topic is World War II and we are really looking forward to learning about life in Scotland during the Second World War. We will be using the book 'Wave me Goodbye' as the context for our learning.

We also have a few events planned to mark the First World War Centenary and we look forward to working with Skene Parish Church and members of the wider school community for this.

If you know of any family members or friends who would be willing to visit our class and share their experiences, (or stories/artefacts that have been passed down their family) we would really welcome hearing from them.

Our craft projects is to make a warplane. Can the children please bring a plate to school, any shape or size will do. I am also looking for any old net curtains, chintzy tablecloths and fabric. Thank you in advance.
